Dear Leonardo,

This is to acknowledge receipt of your June 28, 2020 email to President Tsai Ing-wen asking her for a few words of advice.

The President once shared a quote from Dr. Jane Goodall that seems appropriate:

"Only if we understand can we care.

Only if we care will we help.

Only if we help shall all be saved."

President Tsai therefore advises people to care first of all about their immediate surroundings, address small problems, and make use of their abilities and

Like President Tsai, we hope you will find some inspiration in Dr. Goodall's words of wisdom.

Sincerely,

Office of the President

My name is Leonardo Cardillo and this is the first time I write to a president.

If there were one thing that the President of Taiwan could teach to me, what would it be?

And how would she recommend me to learn about it?
