Hello Leonardo,

I hope you and your loved ones are safe and taking all the precautions during these unprecedented times.

It was great connecting with you on our Design Thinking Whatsapp group and thanks for showing interest in our initiatives.

I am Amit - Founder and Director of Labdox Private Limited.

Labdox is a city and medium agnostic online platform for learners to acquire Engineering & Entrepreneurial skills in the space of Industrial Automation, Instrumentation, PLC, Control, Industrial IoT, Robotics, Analytical Chemistry, LIMS, Drone Technology, Clean Technology, Lean, Design Thinking, Product Development, and other emerging technologies.

We bring the latest learning modules from across the globe to any learner wanting to upskill or acquire new skills in the above-mentioned subjects/topics. Please check this video to know more <https://labdox.news/Intro>

I am sorry that you had to miss the Design Thinking Webinar that happened on 27th June 2020 - I am glad to share the Recorded Video Link of the session - [Click to View](#).

Also sharing your free Ebook on Design Thinking and Course Guide, hope you would like it - [Read the Ebook](#)

Our online one-month long Design Thinking Workshop would be starting from 1st of July - Please let me know if you or any of your colleagues/friends will be interested to join us in this transformational journey?

As you are part of the Labdox community of learners and Educators - we encourage and request you to participate in our learning and educating initiatives.

Cheers!
